

National Police with our elderly!

To confront the expansion of COVID-19 the Spanish Government have decreed Estado de Alarma. During this period, REMEMBER:

DO NOT open the door or give access to your home to:

- People who claim to belong to a household supply company, if you have not requested their service.
- People who claim to be technicians, doctors, nurses or health careservices with como to thest you for coronavirus or to sanitize your home.
- Mask and gloves distributors who say the represented the Administration.
- People who claim to be large food distributors. (E.G. Carrefour, Mercadona...)

DO NOT TRUST those who offer you miraculous coronavirus remedies.

DO NOT GIVE your personal infromation or bank details over the telephone to any unknow person.
